A "Write" Success!

Before the October break, the Advanced Higher English class were lucky enough to welcome national playwright and novelist, Alan Bissett into the school. Alan did a Creative Writing workshop with the class with the aim of helping them with their portfolios. The students enjoyed getting to know the writer himself as well as the wisdom he had to offer on the writing process!

Alan has been writing professionally for nearly twenty years and had lots of advice to offer, encouraging the students to commit their ideas to paper. He spent two hours with the class and, by the end of the session, everyone had been inspired to write openings to stories which may go on to form the basis of their folio pieces. On discussing the event afterwards, students responded very positively to the experience. Read some of their thoughts below:

"I thought it was very beneficial in encouraging me to think outside the box for my folio, it made me consider settings and concepts I hadn't thought of before."
"Made us fight the hardest battle. The start."
"Gave a good, fresh perspective to creating a well-rounded, captivating read."
Overall, a very enriching experience for the class. Thanks to Alan for his inspirational workshop! Miss E Cochrane (English dept)

Article 29 (goals of education) Education must develop every child's personality, talents and abilities to the full. It must encourage the child's respect for human rights, as well as respect for their parents, their own and other cultures, and the environment.

Article 31 (leisure, play and culture) Every child has the right to relax, play and take part in a wide range of cultural and artistic activities.

The lesson of Auschwitz

Last week, Lauren Keenan and Sophie Martin of S6 gave a thought-provoking presentation on their recent trip to Auschwitz in Poland. The girls made the visit to the infamous concentration camp in the space of one day as part of a programme designed to keep the lessons of the Holocaust alive.

Lauren and Sophie shared their experience with Miss Cochrane's S3 English class who have recently studied The Diary of Anne Frank as part of their BGE course. The pupils were engrossed in the girls' detailed account of their trip and how it affected them. Having studied the fates of various real-life victims and survivors of such a terrible atrocity, the class were able to more fully imagine what the experiences of these people would have been like through listening to the girls' stories. Thank you for sharing your experience with us, girls.

Spooky Senior Lunch

Last week, Miss Cochrane's S2 English class successfully organised a special Halloween lunch for the Advanced Higher English class with the aim of building confidence as well as skills in Literacy and Numeracy. Pupils spent the week arranging all of the details, including a trip to Lidl with their food budget (with the help of Mrs Fafinska), decorating the classroom and practicing their hospitality skills on each other before the big event!

The pupils did a wonderful job of the food preparation and the organisation of a Halloween treasure hunt for their senior guests. The feedback left by the S6 pupils reflected the hard work that the whole class had put into the event. Needless to say, they are looking forward to the seniors returning the favour with a lunch for them at Christmas time!

S2 CABE Challenge Success!

Ten of our S2 pupils visited West Lothian College to compete in the heats of the annual Construction and the Built Environment Challenge.

The heat involved the pupils working as a team to complete three tasks linked to construction and engineering - constructing a flooring joist system from a plan, building garden trellis from a design and investigating heating and lighting in buildings.

The team did the school proud showing excellent teamwork skills and commitment to accuracy in their work. As a result they won their heat and will progress to the final at the Edinburgh Corn Exchange of 16th January where they will have a chance to win the trophy plus individual vouchers and a cash prize for the DMG department. A fantastic achievement, well done to them all!

Wider opportunities...

Engineering the future for girls @ the University of Strathclyde
8th-12th June 2020

Join us in shaping the world in a simple, safe and efficient way.

Are you about to choose your key subjects or thinking what your options are beyond school, then why don't you join us for a week of fun and inspiration.

We have created five days of activities to help you find out your talents and make the words "I can do it" your new motto!

Employees from BP and BAM Nuttall and Researchers from the University of Strathclyde will engage you in a range of challenges that will inspire you to consider a career in engineering.

If you see yourself as an engineer of the future or have never considered engineering as a career option before, but want to find out more about it, then the Engineering the Future for girls week at the University of Strathclyde is just for you.

Winter Ready

Parents and carers are being urged to be Winter Ready

West Lothian's 31,000 pupils, their parents and carers can be one of the most affected groups during bouts of severe winter weather, particularly if there is a need to close a school.

Head of Education Jim Cameron said: "During periods of winter weather, the school closures page is the most viewed page on the council's website, so we know it's an important issue."

"One of the most important actions for parents and carers to do is check that their child's school has up-to-date contact details so that messages via GroupCall can be communicated effectively. GroupCall is the first method of communication in the event of a closure or school disruption, so it's very important that the school has the most up-to-date contact details."

"Whilst the message will also go out via websites, Apps and social media, GroupCall is the main method for schools. If there's no GroupCall message, then there is no major disruption at the school."

He added: "Parents/carers should also note that it's their responsibility to decide on whether their child/children should travel to school during winter weather. It's not for the school staff to tell parents whether their child should come to school unless, of course, the decision has been taken to close the school due to weather conditions."

"The school can only make a judgement based on the condition of the school building and immediate area outside a building. They can't make a judgement based on individual streets, roads and paths for every child."

"In extreme weather conditions such as snow, parents/carers should carry out an assessment as to whether they consider it safe for their child to travel or walk to school. Parents/carers should then inform the school of their decision at the earliest opportunity."

Remember

AND REFLECT

As we celebrate 25 years of St Margaret's Academy we extend a warm invitation to all to gather together to express our gratitude for all who have gone before us, and to remember them with Love and Respect.

This is a special opportunity for pupils and staff, former and current, their families and friends and the wider community of our parishes to come together to Remember and Reflect.

We look forward to welcoming you all to the school on Wednesday 27th November from 7pm.

SUPPORTING YOUR CHILD: MATHEMATICS S1-3

Tuesday 26th November from 7pm to 8.30pm
St Margaret's Academy cafe

On November 26th the Maths Department invites S1 - S3 parents and carers to St. Margaret's Academy to help you support your child.

Workshop 1 - Negative Numbers

Integer calculations have long caused problems as people struggle to interpret rules such as "Double Negative". This workshop will show how concrete materials can be used to help deepen understanding of this fundamental topic.

Workshop 2 - Grid Multiplication

This workshop will demonstrate different ways of carrying out multiplications. The main focus will be on the grid method because of its links with algebra.

Workshop 3 - Subtraction

The debate about "borrowing" or "exchanging" in subtraction have been ongoing for over a century. This workshop will look at methods that will increase understanding.

SUNDAY 10 NOVEMBER 2019**32nd Sunday of the Year - Year C**

Jesus gets drawn into the argument that went on between the Saducees and the Pharisees regarding the resurrection. The Saducees did not believe in the resurrection; the Pharisees did. In his argument the Saducee used the tactic known as 'reductio ad absurdum'.

Jesus used the man's insincere inquiry as an opportunity to deliver a genuine teaching. The first thing he did was to challenge the assumption that the after-life is just a continuation of this life with some extras thrown in. It is a completely new mode of existence.

Then he went on to use another argument to support belief in the resurrection of the dead. God is known as a God of the living. But he is also known as the God of Abraham, Isaac and Jacob. This means that the patriarchs must be still living.

WIADOMOŚCI POLSKIEJ WSPÓLNOTY W LIVINSTON

Drodzy, z księgi Machabejskiej, opisującej męczeństwo za wiarę weźmy ten mały fragment: *cale jego otoczenie zdumiewało się odwagą młodzieńca, jak za nic miał cierpienia* - by sobie uświadomić jak wielu młodych ludzi oddało życie za naszą Ojczyznę i za naszą wiarę. Dzisiaj - w 101 rocznicę odzyskania Niepodległości - podziękujmy za wszystkich, którzy sprawili, że cieszymy się wolnością w Polsce i w Europie. Autor listu do Tesaloniczan napisał te słowa także do nas: *Niechaj Pan skieruje serca wasze ku miłości Bożej i cierpliwości Chrystusowej.*

W listopadzie modlimy się w **WYPOMINKOWEJ LITANII IMION**, wierząc, że *Jezus Chrystus jest Pierworodnym umarłych, Jemu chwała i moc na wieki wieków.* W dyskusji o zmartwychwstaniu na pytanie saduceuszów Jezus odpowiedział, że wierni zmarli: *są równi aniołom i są dziećmi Bożymi, będąc uczestnikami zmartwychwstania. (...) Bóg nie jest Bogiem umarłych, lecz żywych; wszyscy bowiem dla Niego żyją.* Módlmy się za naszych Bohaterów Niepodległości, ale także za naszych Zmarłych Siostry i Braci – z wiarą którą przypomina pełen nadziei refren psalmu: *Gdy zmartwychwstanę, będę widział Boga.*

Dziękuję wszystkim Dzieciom i ich Rodzicom za aktywny udział w Gali Wszystkich Świętych – ks. Piotr
